Sir

I have the honor to state that at the time of inspection of the Malavalli Town Municipality in October last the Council was advised to entertain a whole-time Sanitary Inspector for the municipality his subject was discussed at the meetings held on 6th December 1925 and 10th March 1926 and it was resolved that a Sanitary Maistry who has passed the Sub-overseer's test and has previous experience may be entertained on Rs 25/- Copies of resolutions of the Council are enclosed for kind perusal

(2) In submitting these resolutions the President of the Council reports that it is under contemplation to abolish the posts of 2nd clerk and the registrar of Births and Deaths that there would be a saving of Rs 35/- per month thereby that on the abolition of the said two posts a Sanitary Inspector might be appointed for the Municipality and till then a Sanitary Maistry on Rs 25/- is proposed to be entertained

(3) As the sanitation of the Malavalli Town requires the services of a wholetime technical man I recommend that sanction of Government may kindly be accorded for

The financial condition of the Municipality is sound and it is a point for consideration why steps should not be taken by the Md to appoint a Sanitary Inspector on Rs 35+10 C A immediately instead of a Sanitary Maistry on Rs 25 as now proposed
